

REMARKS

In the Amendment filed March 30, 2010, Applicants submitted amended claims for the Examiner's consideration. Specifically, "hydrophobic elastomeric polymer " on lines 12 and 13 of claim 1 should have read -- hydrophobic elastomeric polymer --. This letter now submits the complete listing of the claims showing the correction to this error.

Favorable reconsideration and early passage to issue of the application are earnestly solicited.

Applicants' undersigned attorney may be reached in our New York Office by telephone at (212) 218-2100. All correspondence should continue to be directed to our address listed below.

Respectfully submitted,
